Worship. We were created for worship. Our whole lives are worship (Romans 12:1 & 1 Cor. 10:31). We worship @ 9am on Sundays and @ 6:30pm at Wednesday Nite Live (WNL) Students can be in the worship band, the WNL student band, or our tech crews.

Disciple. This is the heart of our ministry. It's life-on-life and relational. It's learning how to take all of life and use it for God's glory. It's where we take God's truth and apply it to our lives, living out the gospel. It's learning to love God, each other, and the lost world. (Matt. 22:37-39). It's about going, baptizing, and teaching (Matt 28:18-20). We want students to "grow in the grace and knowledge of our Lord Jesus Christ." (2 Peter 3:18). We have graded Sunday School classes, and gender/grade specific small groups at Wednesday Nite Live. There's also LOFT summer home studies, Snowbird Retreat, "Slip-n-Slide Kickball", games competitions, etc. There are many small group activities that happen not just on Sunday and Wednesday! We love having fun!

Serve. 1 Peter 4:10 says we are to use our gifts to serve the body of Christ and the lost of the world. Local ministries include Choices Pregnancy Center, HIM Ministry, Food Ministry, etc. Mission trips include VBS, M-Fuge, Alaska, and Ukraine, etc. We follow the gospel model of sharing our faith, like the four friends bringing their sick friend to Jesus (Mark 2) or the blind man giving testimony, "I once was blind, but now I see." (John 9). Students tell their friends about Jesus

and bring them to our events. We also support our students being involved in campus school clubs like FCA. We are committed to students reaching out to their peers, inviting them into a relationship with Jesus Christ and His Bride, the Church. We train our students to do that.

Costs. We keep our costs as low as possible. Students going on mission trips are expected to work any fundraisers we have. Scholarships and other means are available if you will just make us aware of the need. Our big ticket items include Snowbird Retreat (\$150), M-Fuge (\$400), Alaska Mission Trip (\$1,800), Ukraine (\$2,500).

A Word from David. Students crave relationships. Social media still hasn't replaced person-to-person contact. Time and relationships are precious. Our world is changing and time is short. Therefore, we preach the TRUTH of God without compromise, regardless of what our culture or society says. Anything else would be unloving and unbiblical. We continue to be RADICAL for Jesus in both word and deed. I am continually excited about where we are and where God is taking us. We want our youth to know Christ, own their faith, and make Him known among the nations. We want our students to take their faith to the next level and help disciple their friends. Revelation 7:9 promises our eventual victory. Our prayer is to honor and glorify God, for students to lead peers to Christ, disciple them, and serve others here and around the world, meeting their physical and spiritual needs. We want to make much of God. Join us as we unleash the next generation for Christ!

Our Purpose...

Is to "glorify God by making disciples of all nations until Jesus returns!" Discipling is a life-long pursuit, a marathon. Disciples are also to "make disciples". In 2023-24, CBC Youth Ministry will continue focusing its efforts to multiply our students, adults, ministry, efforts, etc. We are committed to seeing student disciples leave here and make disciples elsewhere. We are focused on Matthew 4:17 & 19, 22:37-39, and 28:19-20. Our ministry is relationally based. We want to make disciples in Jerusalem (the schools), Judea (Rabun Co. and Georgia), Samaria (our country), and the uttermost parts of the earth (Acts 1:8).

We are passionate about Jesus, students, and the truth of God's word.

These are dedicated, caring adults who love Jesus and are **called** to work with students. On call 24/7/365, they help students know Christ, own their faith, and make Him known among the nations. They also love to play! With some 450+ years of ministry experience, our staff have undergone background checks, abuse awareness training, and are committed to growing relationships with Jesus Christ and our youth. They are among our church's best leaders! We are very picky about who works with our students because we want the best!
